

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ALEXANDER M. KINGSTON,

Defendant.

4:19CR3060

ORDER

Defendant has moved to continue the pretrial motion deadline, (Filing No. 26), because Defendant has recently received additional discovery from the government and needs to review that discovery before deciding if pretrial motions should be filed. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 26), is granted.
- 2) Pretrial motions and briefs shall be filed on or before July 8, 2019.
- 3) Trial of this case remains scheduled to commence on July 22, 2019.
- 4) The ends of justice served by granting the motion to continue outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and July 8, 2019 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated this 21st day of June, 2019.

BY THE COURT:

s/ Cheryl R. Zwart
United States Magistrate Judge
